E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent to you. For additional information about your e-mail account, contact the Student Information Technology Help Desk at (657) 278-8888. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your CSUF e-mail on a regular basis.

The university encourages all students to seek advisement each semester well in advance of registration. Advisers in each major department and in the Academic Advisement Center (GH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT
Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in UH-123B. Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT
Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.
The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentation for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designee may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disability Support Services, Financial Aid, International Education and Exchange, Student Wellness, University Learning Center, Women’s Center/Adult Re-entry, Veterans Resource Center, Writing Assistance Center, and Registration and Records.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on page 3 of this guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS
The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No.16. Please see directive16.fullerton.edu.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings. If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLASS LISTING
The Winter Session 2019 class listing (schedule of classes) is available online in your Titan Online Student Center or at fullerton.edu/schedule. An explanation of the codes used in the online class listing is on page 22 of this registration guide.

CLOSED CLASSES
A departmental permit is required to add a closed class.

COURSE OUTLINES
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters:

1. Course material to be covered (e.g., reading list);
2. The grading policy for the course;
3. Class assignments (e.g., term papers-length, due date, projects); and
4. Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5. Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.
DEGREE CANDIDATES
Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2019 must file by February 3, 2019. Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under “Graduation.” Candidates for May 2019 master's and doctorate degrees must file a request for a graduation check on or before February 11, 2019. The form to accomplish this is available on your student portal under “Self Service” (click on Other Academics).

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-112) for graduate students.

FINAL EXAMINATIONS
During Winter Session, the final is held on the last day of class or as noted in the course syllabus.

GRADE OPTIONS
The University uses a combination of traditional and nontraditional grading options as follows:

<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Nontraditional</td>
<td>CR - C (2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses NC - No credit</td>
</tr>
</tbody>
</table>

Students may indicate the grading basis for each course when they register. They have until the deadline published on page 3 of this registration guide to change an option. If grading for a course is listed as “Undergraduate Student Option,” the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. A letter grade (A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Ltr Grd Only or CR/NC only.

INCOMPLETE AUTHORIZED (I)
The symbol “I” (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevents whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade at the time the incomplete is assigned, which would replace the “I” in the student’s record at the end of the one year deadline. Therefore, “I” grades that were earned for the spring 2018 semester must be completed by May 25, 2019. “I” grades assigned at the end of the fall 2018 semester must be completed by January 2, 2020.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student.

The student should review this statement at the earliest opportunity. The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower division students normally enroll in Independent Study 299, upper division students in 499, and graduate students in 599, respectively. Independent study courses may be repeated.

ADVISORY CAUTION
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade basis and not credit/no credit.
INTERNSHIPS AND COMMUNITY ENGAGEMENT

Earn course credit while gaining practical experience related to your major by registering for an academic internship or service-learning course. Check your department for requirements and prerequisites. Be sure to start early (sometimes a semester ahead), especially if an academic internship is a graduation requirement for your major. Many placements are available at businesses, nonprofit organizations and government agencies at locations throughout southern California and opportunities may also be available out of state or overseas.

Experiential learning opportunities are high impact practices that allow students to expand their knowledge, apply theories and skills learned in the classroom, prepare for successful entry into the job market, and develop as socially responsible citizens. Participating in high impact practices like internships and service-learning can keep students on track for graduation, and prepare them for meaningful careers. Additionally, academic internship and service-learning courses offer opportunities for students to:

- Build your résumé / portfolio
- Gain work and service experiences
- Network and develop industry contacts
- Earn academic credit
- Solidify academic and career goals
- Possibly earn money while learning
- Explore various career options within a major
- Demonstrate personal and social responsibility
- Become engaged in your community and the issues that matter to you.

To learn more about the opportunities available within your major, contact your department or visit the Center for Internships & Community Engagement in LH-208, open Monday through Friday 8:00 a.m. to 5:00 p.m. Information is online at fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances. Forms for requesting a leave of absence are available in the Graduate Studies Office (MH-112), or the Graduate Studies website: fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

LIBRARY HOURS

Library hours are subject to change and some areas have more limited service hours. For the latest information on library hours, call (657) 278-2633, or point your browser to library.fullerton.edu.

NONDISCRIMINATION POLICY

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students” was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.

It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Orders 1096 and 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.

OPEN UNIVERSITY ENROLLMENT

Open University Enrollment provides an opportunity for those not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes with appropriate approvals. Registration is on a space-available basis. Information is available at ou.fullerton.edu. Open University students are encouraged to consult with Open University Academic Advisers Suzanne Batista, sbatista@fullerton.edu (GH-123B, 657-278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (CP-100, 657-278-7644) with any questions prior to registering.

A maximum of 24 credits earned through Open University may count towards the cumulative units required for a bachelor’s degree at CSUF. Credit earned through Open University may not be used to fulfill the residence requirements for a bachelor’s degree here at CSUF. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than three (3) units in a Winter term. Participation in Open University Enrollment does not constitute admission to the university.

REPEAT POLICY

Grade Forgiveness (16-unit limit)

An undergraduate student may repeat up to 16 units of course work with ‘Grade Forgiveness’. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first
16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus. Repeat policy will be automatically applied to courses repeated each semester during final grade processing at the end of the term.

Grades Averaged (12-unit limit)
An undergraduate may repeat up to 12 units of course work with ‘Grades Averaged’, beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student’s GPA.

Maximum Repeat Limit (28 units)
The 16 units of ‘Grade Forgiveness’ and the 12 units of ‘Grades Averaged’ comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation Against Repeat of Courses with ‘C’ Grade or Better
Undergraduate students may not repeat a course in which a grade of ‘C’ or better has already been earned. This does not apply to those courses noted in the university catalog as “may be repeated for credit”.

Regulation Against Repeat of a Course with an ‘I’ Currently on Record
A student may not re-enroll in a course for which he or she has received an ‘I’ until the ‘I’ has either been assigned a final grade, or been converted to an ‘IC’.

For further information on Undergraduate Repeat Policy, see fullerton.edu/admissions/resources/faq.asp

SEXUAL HARASSMENT/SEXUAL MISCONDUCT POLICY
It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment and sexual misconduct of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and California Education Code Section 89535. CSU Executive Order 1097 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students”, CSU Executive Order 1096 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Employees and Third Parties and Systemwide Procedure for Addressing Such Complaints by Employees and Third Parties” and CSU Executive Order 1095 “Systemwide Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy” prohibit sexual harassment within the CSU System. The University will take action to eliminate sexual harassment and similar behavior. Information concerning campus sexual harassment policies and procedures can be obtained from Sarah Bauer, Title IX Coordinator, CSUF, Langsdorf Hall, Suite 809, 657-278-2121.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER
Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide Identification number (CWID) as the student’s account number. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY
The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credit student graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

WITHDRAWAL LIMIT
Undergraduate students are limited to a maximum of 18 units of withdrawal ("W" on transcript) during their CSUF career, from Fall 2009 forward. "W"s earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit (See admissions.fullerton.edu) Under “Resources,” click on “Frequently Asked Questions”, select “Undergraduate Withdrawal Policy”.

WITHDRAWAL UNAUTHORIZED (WU)
University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course participation without filing an official, approved withdrawal form with the CSUF Registration Office shall be considered to have withdrawn unofficially from the course.

*For winter session(s), the day after the drop deadline replaces the census date for purposes of application of this policy. Registration Guide each term for the applicable census date.
I. DIRECTIVE
The Family Educational Rights and Privacy Act (FERPA) and California State University Executive Order 796 (“EO 796”) afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedence.

II. AUTHORITY

III. SCOPE
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. DEFINITIONS
A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor, or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee, or assisting another school official in performing their professional responsibility.

V. IMPLEMENTATION
A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV. A), depending on the nature of the request and depending on the release category selected by a student. Students may choose to limit the release of their Directory information as described below:

1. Permit release of all Directory information. Unless restricted by a student, the University may release a student’s Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.

2. Permit release only “Verification” information. This sub-category of Directory information consists of a student’s name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.

3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.

B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.

C. The University notifies students of their FERPA rights in its course catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805, or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. ACCOUNTABILITY
A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.

B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.

C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.

D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee.

MISCELLANEOUS INFORMATION

CAMPUS WIDE IDENTIFICATION NUMBER (CWID) ON CHECKS
All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual’s approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier’s check, money order, or cash (refer to “Registration Fee Payment Information” on page 16 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including identifying the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier’s check or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of registration and tuition fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier’s check, money order, or cash (refer to page 17, “Registration Fee Payment Information” for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be paid and all holds cleared prior to registration. (Refer to “Registration Fee Payment Information” on page 17 for more information.)

** Outside Windows
The information below is intended to assist students in understanding the class schedule available at fullerton.edu/schedule.

1. All class schedule entries are subject to change without prior notice. Any added class offerings will be reflected in the online class schedule. Cancelled classes will be deleted from the online class schedule and any student enrolled in a class which must be cancelled will receive an email notification at his/her CSUF email address.

   The faculty member shown in the “faculty” column of this class listing is a tentative assignment, depending on schedule adjustments required by circumstances during registration.

2. **Class Notes** - When using the online schedule of classes search function, a list of section(s) appears. Select “the section” to see the class details. Under the class details is an area called “class notes” where special information of significance to the student is found. Some classes have prerequisites, while others require permission of the department or an instructor as noted under “Class notes”. If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS
An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master's degree. This average applies to:
• All 400- and 500-level units attempted subsequent to admission to a degree program; and
• All units required on the student’s graduate study plan including transfer courses.
  [Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

CREDIT/NO CREDIT GRADING OPTION

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A plus” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS/MINUS GRADES AND TRANSFER ADMISSIONS
In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of “B plus” awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1100.

As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist.

How Waitlisting Works

- Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.

- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class. It is important to check your class schedule and account summary regularly to avoid possible disenrollment due to non-payment of fees due to a newly added class.
- If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
- The online waitlisting feature will cease to function on Wednesday, December 19, but the waitlist will be retained for informational purposes for the instructor.
- Faculty may control access to “closed” classes starting with the first day of class according to academic department procedures.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless any of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

TITAN ONLINE REGISTRATION  
REGISTRATION HELP LINE  
(657) 278-7601

OPEN REGISTRATION AND CHANGE OF PROGRAM  
Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (page 3) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for fall 2018. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

Before registering for classes, please read the following instructions carefully.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 4 UNITS MAY BE TAKEN DURING THE ENTIRE WINTER SESSION TERM 2019.  
A student, whose academic record justifies a study list of more than 4 units, must request approval. In general, only students with superior academic records are allowed to enroll for more than 4 units. In addition, the need to enroll for extra study must be established. Factors such as time spent in employment or commuting, the nature of the academic program, extracurricular activities and the student's health should be considered in planning a study program.

A Request For Excess Units form is available in Registration and Records in LH-114 or online at records.fullerton.edu/resources.

LATE REGISTRATION  
Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Open University students require permission from the instructor and department.

CLOSED CLASSES  
When classes meet the established enrollment limit, they are closed. You may waitlist a course if the option is available (see Waitlist, page 25). Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Open University students require permission from the instructor and department.

DROPPING CLASSES  
If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student's responsibility to follow and complete the appropriate procedures for dropping the class.

DEADLINES  
Deadlines for adding/dropping classes and refund of fees are published on page 3 of this registration guide.
